

40MM SLIDER FOR MW LEFT

SKU: ltk-mw-slider-left | Category: [MW Accessories](#) |

PRODUCT DESCRIPTION

We have designed this slider to slide anything suspended on a 10-12mm pole on top of a 40mm rail.

We have three versions: left, right, and symmetric. Pick the one you prefer.

This item can be customized on request for different pole diameters, colors, rail sizes and slider length.
